- (c) We may approve a lease that provides for the payment of less than a fair market rental during the periods before the generation and transmission of electricity begins, if we determine it is in the Indian landowners' best interest. The lease must specify the amount of the compensation and the applicable periods.
- (d) We will require a valuation in accordance with §162.422, unless:
- (1) 100 percent of the landowners submit to us a written request to waive the valuation requirement; or
- (2) We waive the requirement under paragraph (e) of this section; or
- (3) We determine it is in the best interest of the Indian landowners to accept an economic analysis in lieu of an appraisal and:
- (i) The Indian landowners submit an economic analysis that is approved by the Office of Indian Energy & Economic Development (IEED); or
- (ii) IEED prepares an economic analysis at the request of the Indian landowners.
- (e) If the owners of the applicable percentage of interests under §162.011 of this part grant a WSR lease on behalf of all of the Indian landowners of a fractionated tract, the lease must provide that the non-consenting Indian landowners, and those on whose behalf we have consented, receive a fair market rental, as determined by a valuation, unless we waive the requirement because the tribe or lessee will construct infrastructure improvements on, or serving, the leased premises, and we determine it is in the best interest of all the landowners.

§ 162.551 How will BIA determine fair market rental for a WSR lease?

- (a) We will use a market analysis, appraisal, or other appropriate valuation method to determine the fair market rental before we approve a WSR lease of individually owned Indian land or, at the request of the tribe, for tribal land.
 - (b) We will either:
- (1) Prepare, or have prepared, a market analysis, appraisal, or other appropriate valuation method; or
- (2) Use an approved market analysis, appraisal, or other appropriate valuation method from the Indian landowners or lessee.

- (c) We will use or approve use of a market analysis, appraisal, or other appropriate valuation method only if it:
- (1) Has been prepared in accordance with USPAP or a valuation method developed by the Secretary under 25 U.S.C. 2214; and
- (2) Complies with Department policies regarding appraisals, including third-party appraisals.
- (d) Indian landowners may use competitive bidding as a valuation method.

§ 162.552 When are monetary compensation payments due under a WSR lease?

- (a) A WSR lease must specify the dates on which all payments are due.
- (b) Unless the lease provides otherwise, payments may not be made or accepted more than one year in advance of the due date.
- (c) Payments are due at the time specified in the lease, regardless of whether the lessee receives an advance billing or other notice that a payment is due.

\$162.553 Must a WSR lease specify who receives monetary compensation payments?

- (a) A WSR lease must specify whether the lessee will make payments directly to the Indian landowners (direct pay) or to us on their behalf.
- (b) The lessee may make payments directly to the Indian landowners if:
- (1) The Indian landowners' trust accounts are unencumbered;
- (2) There are 10 or fewer beneficial owners: and
- (3) One hundred percent of the beneficial owners (including those on whose behalf we have consented) agree to receive payment directly from the lessee at the start of the lease.
- (c) If the lease provides that the lessee will directly pay the Indian landowners, then:
- (1) The lease must include provisions for proof of payment upon our request.
- (2) When we consent on behalf of an Indian landowner, the lessee must make payment to us on behalf of that landowner.
- (3) The lessee must send direct payments to the parties and addresses specified in the lease, unless the lessee

§ 162.554

receives notice of a change of ownership or address.

- (4) Unless the lease provides otherwise, payments may not be made payable directly to anyone other than the Indian landowners.
- (5) Direct payments must continue through the duration of the lease, except that:
- (i) The lessee must make all Indian landowners' payments to us if 100 percent of the Indian landowners agree to suspend direct pay and provide us with documentation of their agreement; and
- (ii) The lessee must make that individual Indian landowner's payment to us if any individual Indian landowner who dies, is declared non compos mentis, owes a debt resulting in a trust account encumbrance, or his or her whereabouts become unknown.

§ 162.554 What form of monetary compensation payment is acceptable under a WSR lease?

- (a) When payments are made directly to Indian landowners, the form of payment must be acceptable to the Indian landowners.
- (b) When payments are made to us, our preferred method of payment is electronic funds transfer payments. We will also accept:
 - (1) Money orders:
 - (2) Personal checks;
 - (3) Certified checks; or
 - (4) Cashier's checks.
- (c) We will not accept cash or foreign currency.
- (d) We will accept third-party checks only from financial institutions or Federal agencies.

§ 162.555 May a WSR lease provide for non-monetary or varying types of compensation?

- (a) A WSR lease may provide for the following, subject to the conditions in paragraphs (b) and (c) of this section:
- (1) Alternative forms of compensation, including but not limited to, inkind consideration and payments based on percentage of income; or
- (2) Varying types of consideration at specific stages during the life of the lease, including but not limited to fixed annual payments during installation, payments based on income during an operational period, and bonuses.

- (b) For tribal land, we will defer to the tribe's determination that the compensation in paragraph (a) of this section is in its best interest, if the tribe submits a signed certification or tribal authorization stating that it has determined the compensation in paragraph (a) of this section to be in its best interest.
- (c) For individually owned land, we may approve a lease that provides for compensation under paragraph (a) of this section if we determine that it is in the best interest of the Indian landowners.

§ 162.556 Will BIA notify a lessee when a payment is due under a WSR lease?

Upon request of the Indian landowners, we may issue invoices to a lessee in advance of the dates on which payments are due under a WSR lease. The lessee's obligation to make these payments in a timely manner will not be excused if invoices are not delivered or received.

§ 162.557 Must a WSR lease provide for compensation reviews or adjustments?

- (a) For a WSR lease of tribal land, unless the lease provides otherwise, no periodic review of the adequacy of compensation or adjustment is required if the tribe states in its tribal certification or authorization that it has determined that not having reviews and/or adjustments is in its best interest.
- (b) For a WSR lease of individually owned Indian land, unless the lease provides otherwise, no periodic review of the adequacy of compensation or adjustment is required if:
- (1) If the term of the lease is 5 years or less;
- (2) The lease provides for automatic adjustments; or
- (3) We determine it is in the best interest of the Indian landowners not to require a review or automatic adjustment based on circumstances including, but not limited to, the following:
- (i) The lease provides for payment of less than fair market rental;
 - (ii) The lease is for public purposes;
- (iii) The lease provides for most or all of the compensation to be paid during the first 5 years of the lease term
